SIR:

**SUPPLEMENT TO STATEMENT OF INTERVIEW SUBSTANCE**

In response to the Notice of Allowability, and attached Examiner-Initiated Interview Summary, please make of record the following statement to supplement the Interview Summary:

The telephone interview conducted between applicant's attorney and the Examiner on January 20, 2006 included the following, not reflected in the Notice or Summary:

1. The Examiner imposed a restriction requirement between the claims of Group 1 (claims 50, 54) and Group 2 (claims 57, 61, 64-67).
2. The Examiner required a provisional election between Groups 1 and 2, and applicant's attorney provisionally elected Group 1 (claims 50, 54).
3. The Examiner indicated the claims of Group 1 were allowable, and in view of their allowability, requested applicant's attorney to authorize the cancellation of the claims of Group 2 so that the application could immediately be allowed.
4. Applicant's attorney authorized the cancellation of the claims of Group 2 so that the application could immediately be allowed, with the understanding that the claims were being cancelled without prejudice to their presentation in a divisional application.

If there are any outstanding issues, the Examiner is invited to contact applicant's attorney at 203-838-8037.

Respectfully,

William J. Infosino
